

# Konabos Consulting Inc. Receives the highest partnership tier with Kentico Kontent: Premier Partner Designation

*We are proud to announce that Konabos Consulting has been named a Premium Partner by Kentico Kontent.*

TORONTO, ON, CANADA, May 27, 2021 /EINPresswire.com/ -- We are proud to announce that Konabos Consulting has been named a Premium Partner by Kentico Kontent. This designation, which marks the highest partnership tier with Kontent, makes Konabos one of only thirteen current partners in the world with this distinction. As a

recognized CMS leader, Kentico Kontent empowers enterprise business users and developers to manage and share their content without interference. This designation assures our clients that our team is implementing the latest and best technology and practices to deliver content via omnichannel digital experiences on the web, mobile applications, social media and beyond.

"We're beyond excited about our growing partnership with Kentico Kontent and how it allows our team to architect flexible, future-proofed Composable Digital Experience Platform (DXP) stacks for our customers. We have reached this distinction in just five months, which speaks to our excitement for, and enthusiastic uptake of the platform. We (clients included) have had the best experience with Kentico Kontent, particularly in partnership and support. We appreciate the honor and responsibility of being recognized as a Premium Partner by the Kentico Kontent team." -Akshay Sura, Partner

"Partnering with leading Enterprise-focused agencies such as Konabos is a natural step for us to expand our global network and rest assured our customers have reliable implementation partners. My experience with Konabos has been extremely positive and I am very excited to see them moving to our Premium partner tier." - Vojtech Boril, VP Growth & Marketing at Kentico Kontent

As a recognized Kontent Premium Partner, Konabos consulting offers enterprise clients

Jamstack-enabled Composable DXP solutions. Structured content is delivered via a fully documented API, giving developers the freedom to build customizable modern digital experiences. Our developers can focus on building and presenting high-quality content across all digital channels by leveraging this powerful headless content platform.□

About Konabos Consulting:□
