

# The Straw Rockets hit the soft spot with their latest video, "Cherish the Children."

TWIN CITIES, MINNESOTA, USA, May 28, 2021 /EINPresswire.com/ -- The Straw Rockets, who have recently released their first album, "Steppin' Into the Street", feature 10 tracks that each tell a special story. In one of their leading singles, "Cherish the Children," the band evokes a sense of tenderness and love while highlighting how special each and every child is to us.

In support of their new album, The Straw Rockets offer a new video in the spirit of the song. "Cherish the Children" shows how family oriented the band is, by sending a message to help advocate for the safety and well-being of all children.

The Straw Rockets, consisting of Ray Evangelista, Alex Twum, and Jim Gutzman, stride into the music world with their new album, "Steppin' into the Street." The album's tracks are a result of the band's belief and determination that are interpreted into a variety of messages and melodies that resemble life's journey.

These songs are available for streaming and download through Melody Bay Productions on all streaming platforms including Tidal, Itunes Music, and Youtube. Check out the new [YouTube Video](#) here.
