InaMinute, a nine year old girl, [reviewed Wok n Roll](#), a local restaurant in Jackson, New Jersey.

According to InaMinute, "I was too full to finish my whole meal but I have a little special compartment in my stomach that is saved for dessert, so we got coconut ice cream. Mom said she would only have one bite but we split it evenly! The flavor was very sweet and milky and I got brain freeze because it was so cold!"

I am grateful for InaMinutes' lovely review of Wok n Roll in New Jersey!"
