“In Your Eyes”

“In Your Eyes” is a beautiful country love song about falling in love and the journey to walking down the aisle to marry the one you love.

Ford’s lyrics perfectly portray the emotions of being in love. The beauty you see in your partner, the deepness of connection, acceptance, and seeing your future with that special person.

The song features Michael Lusk as the lead vocalist. His charismatic voice will charm any listener as he gently sings: “In your eyes, the universe opened up to me, in your eyes I could see we were meant to be”.

This is a mid-tempo country song with a touching and joyful melody that inspires you to dance with the one you love. If you enjoy music from artists such as Luke Bryan and Tim McGraw, then Clark Ford’s “In Your Eyes” will fit perfectly on your country playlist.

What’s Next:

Ford is intensely passionate about music and plans to continue composing and writing songs. Keep an eye out for his future releases.

In the meantime, he has a message for all his listeners: “Thank you for taking the time to connect to my songs. Whether fun or serious, fast or slow, country, or pop, or jazz. I hope you get as much enjoyment out of the songs as I do!”.
