

Napkyn Analytics Recognized as One of The America's Fastest Growing Companies in 2021

The Financial Times and Statista Rank Napkyn Analytics number 381 in list of 500 Fastest Growing Companies 2021.

OTTAWA, ONTARIO, CANADA, June 3, 2021 /EINPresswire.com/ -- Napkyn Analytics, a leader in enterprise analytics and a Google Premier Solution Partner for the Google Marketing Platform, announced today that The Financial Times (FT) and Statista have recognized the Company as one of "The America's Fastest Growing Companies 2021".

The FT Americas' Fastest Growing Companies is a list of the 500 participating companies headquartered in one of the twenty American countries that have the

Napkyn Analytics

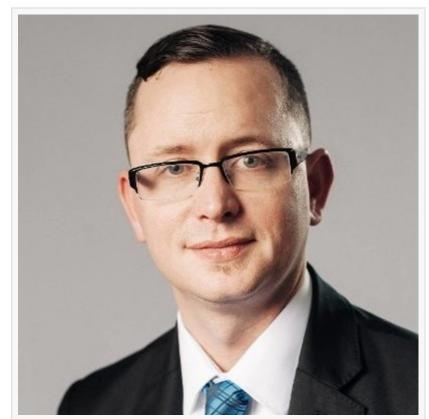

highest growth in publicly disclosed revenues between 2016 and 2019. In its second year, the FT list was compiled with Statista, a research company, and ranks entrants from across the Americas by compound annual growth rate (CAGR) in revenue between 2016 and 2019. The application phase ran from October 5th, 2020 to January 31st, 2021.

On being recognized as a "Fastest Growing Company", Napkyn Analytics CEO, Jim Cain, commented, "it's an honour to be recognized by The Financial Times and Statista, our ranking is a testament to our passionate team, our Google Premier Partnership that enables us to deliver solutions around a deep expertise in the Google Marketing Platform, and the success our customers have achieved with digital analytics and higher quality data over the past three years."
