Serving many industries, especially e-commerce brands, in different parts of the world, Cetudio LLC is assertive in creating brands that develop meaningful experiences with people. Creating

sustainable roadmaps for brands, Cetudio LLC draws on insights across all print, visual and audio strategies.

Workflow support for Creative Industry

Providing operational support to creative industries as well as brands, Cetudio LLC has served more than 50 advertising agencies around the world during the pandemic process, saying, "Let us do the work of your customers who are unhappy with the bottlenecks of workflow. We are in great secrecy on your behalf."

Ali Can Elagoz, the founder and creative director of Cetudio LLC, said, "Before founding Cetudio LLC, I worked in different positions in agencies for close to 21 years. Therefore, predicting bottlenecks that may occur during operation and providing the right solutions is an area where I have mastered both brands and agencies. I look forward to the happiness we will create for both brands and agencies in Cetudio's US operation."

We care about the community in the countries where we operate.

That's why we spend part of our marketing budget as a public finder's fee. We quickly make a contract with anyone who promises to provide us with new customers, and we share 25% of our profits from the first projects of the customers they bring or the first service fee with the finders.

Anyone who wants to benefit from the "Public Finder's Fee" conditions offered by Cetudio LLC all over the world can send an e-mail to newbusiness@cetudio.com or DM us via our Instagram account [instagram.com/cetudio](https://www.instagram.com/cetudio)
