

As Americans Prepare for Commuting Comeback, Car Toys Leads a Safe Return

SEATTLE, WASHINGTON, UNITED STATES, June 3, 2021 /EINPresswire.com/ -- <u>Car Toys</u> is offering free personalized consultations for connected-car and safety solutions in all 48 of its U.S. locations to support commuters returning to the road amid the pandemic.

With only 20 percent of Americans interested in returning to the office full time, Car Toys is focused on equipping vehicles of all makes and models with technology that supports a safer and more comfortable commuting experience. The country's largest independent specialty car audio and mobile electronics retailer with certified expert installers on staff is prepared to add safety features such as backup cameras and collision warning systems, as well as hands-free connectivity to any vehicle.

"We partner with leading manufacturers to provide our installers the training they need to ensure seamless vehicle integration and maximum, lasting performance," says mobile audio training specialist Shawn Mullen. "When drivers spend hours of their time inside their vehicles, it's important for them to feel comfortable and safe on the road."

Car Toys installer training covers car audio, safety, and entertainment devices including: Dar Stereos – Apple CarPlay and Android Auto Receivers Dar Speakers, Subwoofers, and Amplifiers Dar Alarms & Remote Starts DGPS Tracking & Recovery DRadar Detectors DBackup and Dash Cameras DOIlision Warning Systems

In addition to leading technical expertise and affordable prices, Car Toys is offering comprehensive interior and exterior detailing packages that meet strict sanitation standards.

"While helping drivers enjoy their vehicles is what we're known for, safety is our top priority," says director of marketing Daniela Lukomski. "We take the public sensitivity to cleanliness very seriously and are proud to support our local communities as people start commuting again."
