ORLANDO, FLORIDA, USA, June 4, 2021 /EINPresswire.com/ -- Attorney Dan Newlin will be bringing Central Florida a free concert to celebrate our healthcare workers. Newlin explained, "Our healthcare workers and first responding medical teams placed their lives in grave danger this year. No one ever expected a pandemic, but when it hit, our healthcare workers were warriors, saving thousands of lives and providing kind and compassionate care to those who were suffering." Attorney Dan Newlin, a strong believer in giving back to the community continued, "We want to thank our healthcare workers, with a free night of entertainment with musical artists, Shaggy and Flo Rida."

When all was shutting down at the onset of the pandemic, Newlin teamed with Shaggy and Flo Rida, offering words of encouragement through digital media and television ads. They also worked with Nemours Children's Hospital in Orlando by purchasing emergency COVID-19 equipment to help ensure the safety of immunocompromised children. "While many businesses were scrambling, including ours, on their business survival, we remained focused on what we do best, helping our community in times of need," Newlin said.

Now that the pandemic is mostly behind us, local and state governments have allowed public events to resume; however, Newlin requests those who have not been vaccinated to please take proper social distancing precautions and wear a mask.

The Hard Rock Live has been cleared to allow 3,000 attendees to attend the free Shaggy and Flo Rida concert to honor our healthcare workers on Saturday, July 17 at 6 pm. Anyone can register for tickets, but Newlin wants the majority of free tickets to go to healthcare workers.

"We must honor our healthcare workers and thank them for their commitment to our community during the pandemic. Our healthcare workers worked around the clock to fight for victims of COVID-19, and we'll honor them with this extraordinary concert," said Newlin.

Register by visiting [www.DanNewlinFreeConcert.com](http://www.DanNewlinFreeConcert.com). Anyone from the public can register; however, there are only 3,000 tickets. You will receive verification via text and email with additional information.

For those who cannot attend this Free event, due to capacity, stay tuned. Newlin has been in contact with International Superstar Drake and Country legend Blake Shelton.
