

Sports Health Technology & Innovation Conference - HealthSportsTech 2021 - Coming to Philadelphia Region in November

PHILADELPHIA, PA, USA, June 8, 2021 /EINPresswire.com/ -- [EnableHealth](#), a global health technology and innovation professional services firm based in Philadelphia, PA is launching its inaugural conference showcasing the growing global connection between health technology, data, innovation and sports. The event will explore cutting-edge topics such as: the emerging clinical side of eSports and gaming, the critical role of clinical validation pathways for IT commercialization, the power and influence of sports marketing with athlete entrepreneurs and investors, and the increasingly complex world of data ownership, integration and management.

[HealthSportsTech 2021](#) is a one-day, one-of-a-kind event scheduled for Tuesday, November 9th at the Penn State Great Valley Campus in Malvern, PA. Keynotes and panel discussions will be joined by interactive, emerging technology displays, and a health IT Start-Up Pitch competition. A reception will be held immediately following the conference at the Microsoft Technology Center near the event site. A limited number of favorably priced tickets are available now through [Eventbrite](#), and include complimentary breakfast, lunch, reception and parking. A portion of the conference proceeds will go to benefit Athletes for Care.

“From the importance of data, to the power of sports marketing, to the untold clinical, health & wellness story of eSports & Gaming, HealthSportsTech 2021 seeks to connect the dots in a new nexus between sports, health, technology and innovation”, said Mark Stevens, FHIMSS, Managing Director of EnableHealth. “And a new generation of athlete- entrepreneurs are redefining impact investing and how products are promoted and sold here and around the globe”.

Featured speakers at the conference include, John Kravitz, Corporate CIO for Geisinger Health System and national CHIME Board Chair; Riley Cote, former 8-season Philadelphia Flyer’s left wing and co-founder of Athletes for Care; Charles Auger, Managing Director and CTO, American Medical Association innovation arm, Health2047; and Dr. Michael Suk, MD JD, MPH, MBA, FACS, Chief Physician Officer, Geisinger System Services, Professor and Chair, Musculoskeletal Institute

& Department of Orthopaedic Surgery, Geisinger Health System and Geisinger Commonwealth School of Medicine.

Other speakers include James A. Nemes, D.Sc., Chancellor and Chief Academic Officer of Penn State/Great Valley, host of the event, and Alice Jackson, RTI International, premier sponsor of the event. Other event sponsors and partners include: Geisinger Health System; HIMSS; Stryker; West Chester University; Kingdom Ventures and Montreal-based medical device startup, Emovi.

Tickets provided through Eventbrite. There is a special offer on first 10 tickets sold using promo code FIRSTHST.
