*ANIL defines what is an interesting photo.*

LONDON, UNITED KINGDOM, June 7, 2021 /EINPresswire.com/ -- [ANIL UZUN is an architect and a photographer](#) organizing group exhibitions for the underground artists, facilitates projects for independent photographers, and joins the photography projects and presentations with his work.

He talks about “Why do we create photos?”

[ANIL UZUN](#) says “People create photos for a variety of reasons, but the one reason is to share. As a photographer I want to share and connect. As I take photos I feel I make something that I want to share that is worth time and attention. Is my photo worthy of another’s time and attention?”

[ANIL UZUN shares his photos](#) to get a personal and emotional reaction from the viewers.

“Everyone has unique life experiences.” says ANIL UZUN. “When I see people reflecting their experiences with an emotional response to my photos I feel whole. The most challenging part is the difficulty in quantifying and evaluating the emotions. It is easy to evaluate a photo for its technical components which can be objectively observed.” he says.

“The most distinctive aspect of a photograph is the composition. Composition is controlled by the photographer and composition creates potential ways to bear interesting photos of what is in front of our cameras in the given light.” says ANIL UZUN.
