

New Cashforce office in Warsaw, Poland fuels its Cash Forecasting product excellence

WARSAW, POLAND, June 7, 2021 /EINPresswire.com/ -- [Cashforce](#), an innovative Cash Forecasting and Working Capital Analytics solution provider, has announced it will open a new office in Warsaw, Poland to expand the company's activities. This new office will further accelerate Cashforce's growth and market presence on a global scale with the addition of a new technical team. For this expansion, various product-focused positions are becoming available, ranging from Chief Architect and team leaders to analysts and front-end/back-end engineers.

"We are delighted to share the news of the opening of our product-focused branch. Together with our new platform which launches soon, we continue to push the frontier of Cash Forecasting & Working Capital product excellence," said Nicolas Christiaen, CEO of Cashforce.

Cash forecasting remains a top priority of any corporate and Cashforce offers a unique solution to assist finance and treasury departments in this challenge. Building upon years of experience, we're reinforcing the vision to save time and cash by offering automated Cash Forecasting technology. The new platform is equipped with real-time data processing capabilities, an intuitive user-experience that lowers the barrier to entry and enhanced (AI-powered) scenario building capabilities.

Jan Bakker, COO of Cashforce, adds: "It's great to see our global presence ramping up. By reinforcing the product team with various technical positions, we're ready to further integrate the latest and greatest technologies into our product."

As a Fintech scale-up disrupting the treasury space, Cashforce is experiencing substantial international growth. To make their ambitious vision a reality, they are looking for motivated candidates to join us in creating a world-class product. Of course, it all starts with the amazing people. You can become a part of a dynamic and global team that encourages ownership, diversity and personal growth. Learn more about the [Cashforce company culture](#).
