Human Ken Doll Alves Had Obesity Surgery at Clinic Mono in Izmir

İZMİR, ALSANCAK, TURKEY, June 7, 2021 /EINPresswire.com/ -- Jessica Alves, known as 'Human Ken Doll' by millions who had a gender reassignment operation last year, had gastric sleeve surgery at [Clinic Mono](#) in Izmir in order to lose her excess weight. Telling about her dreams, Alves said, "I want to get married, have children and be a very beautiful woman."

Jessica Alves, who has undergone nearly 80 [plastic operations](#) to date, had stomach reduction surgery this time, in order to lose her excess weight and wear fashionable clothes. Alves, who made a radical decision last year by having a gender reassignment surgery and taking the name 'Jessica' instead of Rodrigo, became a world-famous influencer in a short time. Alves, being the center of attention around the world with her life, decided to have bariatric surgery in order for her health and to be able to wear the fashionable clothes of her choice. Alves, who has undergone gastric sleeve surgery at Clinic Mono in Izmir which has significant achievements in the field of health tourism, said, "I gained a lot of weight after the gender reassignment surgery. That's why I decided to have a medical obesity operation instead of a plastic operation. As a result of my research, I reached Clinic Mono in Izmir. I have three dreams; I want to get married, have children and be a beautiful woman," she said. "I had obesity surgery to be healthy and wear the clothes I want," said Alves, adding, "I am very fond of fashion. I want to reach my ideal weight after stomach reduction surgery,".

"WE STRICTLY IMPLEMENT THE MEASURES OF THE MINISTRY OF HEALTH"

Stating that they welcome patients from Europe, America and Africa in the field of health tourism, Clinic Mono's Patient Relations Coordinator - Translator [Oya Erol](#) said, "We are very
