THE BEST PRESCHOOLS IN PLEASANTON, CA ALLOW CHILDREN TO 'TAKE THEIR TIME' AND ENJOY

LEARNING

Here is the background for this release. Many Bay Area children could struggle with a one-size-fits-all approach at public preschools or kindergartens. Rigid lessons and a strict schedule can dampen a young student's enthusiasm. If a child becomes "lost in the moment" while painting and is suddenly pulled away to the next task on the schedule, it could be discouraging. The best preschools in Pleasanton might offer a more flexible teaching style for young students to enjoy learning at an individual pace. The best preschool in Pleasanton, may, in fact, be located in nearby Dublin. For these reasons, Learn and Play Montessori has announced new content on the quest for the best.
