

# BCMstrategy, Inc. Enters Strategic Partnership with Dow Jones; PolicyScope Datasets Expand to Include Dow Jones Inputs

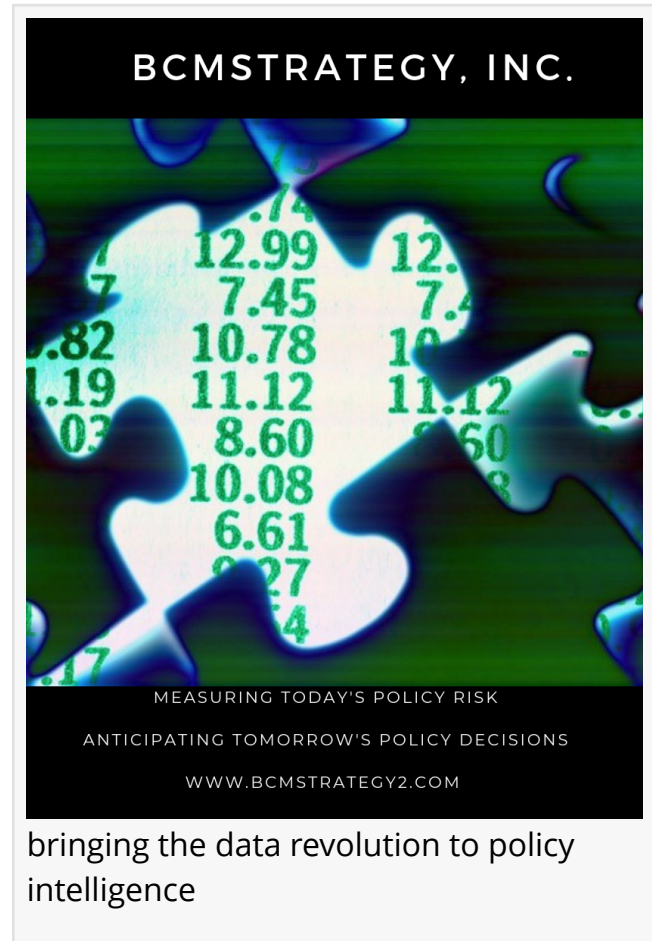

*The strategic partnership delivers premium machine-readable news data to the patented, automated PolicyScope process that quantifies global public policy risks.*

ALEXANDRIA, VIRGINIA, US, June 8, 2021 /EINPresswire.com/ -- [BCMstrategy, Inc.](https://www.bcmstrategy.com/), the innovation leader in public policy predictive analytics, announced today that it will be powering its data products with premium content and data from Dow Jones.

The strategic partnership delivers premium machine-readable news data to BCMstrategy, Inc.'s automated and patented policy risk process in order to calculate and disseminate objective, numerical, structured datasets that measure global public policy risk. Access to daily data paired with an archive of machine-readable award-winning Dow Jones news and data will enable BCMstrategy, Inc. to deepen the breadth of its historical time series data concerning media coverage for a wide range of policy issues from digital currency, COVID-19 monetary policy, and climate-related disclosures to trade policy, infrastructure, and financial regulation policy.

The partnership accelerates BCMstrategy, Inc.'s ability to generate statistically significant observations to support machine learning and automated policy trend projection by adding an additional layer of best-in-class high-quality journalism inputs to support the media component of its objective risk scores.

"We appreciate the opportunity to work with Dow Jones, whose track record at the frontier of innovation is as deep as its commitment to high-quality, fact-based, insightful journalism," said Barbara C. Matthews, Founder and CEO of BCMstrategy, Inc. "The addition of Dow Jones news
