Graduates to All Levels:

- A company employee evaluates every application and resume to determine if the applicant, based on the applicant's submitted application or resume, qualifies for the job opening(s)
- Talk to friends, relatives, vendors, customers, anyone you can find
- Acquire knowledge, view management and employees on social media
- When in-person, wear a mask as preferred or required, nod or wave instead of handshake
- Nearly 61% of Americans earned a two- or four-year degree. Fewer than 40% of college graduates are working in a field that is directly related to their college major five years after graduation. Employers are interested in the graduates' ability to use their education.

At Tech Innovation Global Incorporated, we include industry, individuals, professionals and other services.

Tech Innovation Global Incorporated utilizes experience in data analysis, science, and market research. You can register and purchase services at <https://www.techinnovationglobalinc.com>.
