

# Abyde teams up with AlignLife to deliver simplified HIPAA compliance solutions

CLEARWATER, FLORIDA, UNITED STATES, June 9, 2021

/EINPresswire.com/ -- Abyde, a user-friendly HIPAA compliance software solution for independent practices across the United States, is thrilled to announce their ongoing expansion and new partnership with AlignLife as their preferred HIPAA compliance provider.

Together with AlignLife, Abyde will provide essential HIPAA compliance programs designed to complement chiropractic practices' day-to-day operations. The partnership will give AlignLife practitioners exclusive access to a comprehensive HIPAA compliance solution that helps meet

government-mandated requirements and safeguard against the recent rise in HIPAA violations and data breaches.

Abyde's software solution is the easiest way for independent providers to implement and sustain comprehensive HIPAA compliance programs. The revolutionary approach to HIPAA compliance guides practices through mandatory HIPAA requirements such as the Security Risk Analysis, HIPAA training for doctors and staff, managing Business Associate Agreements, dynamically generated policies and more.

“We are honored to join AlignLife in providing tools that enhance workflows for their providers and practices - allowing them to focus on their patients, not administrative burdens,” said Matt DiBlasi, President of Abyde. “HIPAA compliance is a necessity for independent providers and we look forward to bringing education and resources to simplify meeting these complex government requirements.”
