Our [hair bundles](#) are shiny, full from roots to ends, and weigh 100 grams per bundle. Hair can be cut, straightened, curled, and is safe to bleach to 613 Blonde. Human and Raw hair is 100% real and should be treated like your own natural hair. It is important to wash and condition the hair and use styling products to set your styles. It is important to stay away from products heavy in alcohol and silicones. "After being natural for 10 years total, I shy away from chemical-laden products and use very few products in my regimen. I always use Giovanni Direct leave-in conditioner in my hair as well and on my wigs" says Owner Rhonda.

If cared for properly, hair purchased from CROWNZ Hair and Beauty can be reused for up to a year or more. Always wash your wigs and extensions before storing and store the hair in a satin bag to maintain moisture.
