

# David R. Musser Reveals Riveting New Horror Novel, WHISPERS OF GRAY

*Part of the KEEP IN THE LIGHT series, David R. Musser's WHISPERS OF GRAY gives an ordinary childhood fear a terrifyingly fresh feel.*

HIGH POINT, NORTH CAROLINA, UNITED STATES, June 10, 2021 /EINPresswire.com/ -- Celebrated indie author David R. Musser recently launched [WHISPERS OF GRAY](#), the second book in his supernatural thriller series, [KEEP IN THE LIGHT](#). The newest offering introduces readers to a familiar fictional realm embellished with ambiguity, angst, and, most notably, evil.

The story's protagonist, Jeff, is a relatable man living a quiet and complacent life with his wife, Sarah. The two are seemingly plagued with normalcy until a near-fatal accident reveals debilitating, sinister force that becomes near-impossible to shake.

Musser's storyline is practical and well thought out. All levels of readers will find it easy to follow, but even the most advanced mystery-enthusiasts will be stimulated with anticipation from cover to cover. He artfully transforms a common childhood fear, the darkness, into an unfathomable monster that continually leaves the reader wanting more.

WHISPERS OF GRAY features an innovative take on the most sought-after elements of a classic thriller. Throughout the KEEP IN THE LIGHT series, Musser demonstrates the unprecedented ways in which a family can courageously overcome the most powerful and frightening threats of evil.

"For my latest book, my goal was to demonstrate how evil can hide in the form of possession, tearing lives apart. I am humbled by the reviews on the first part of the series, and can only hope that I do justice to those other writers before me that I've learned from and worked to emulate."
