Mohammad Ashraf Uddin was always looking for new ways to make people laugh, and one day he came up with the idea of making funny videos. He began posting videos to YouTube, Tiktok, Facebook, and Instagram! He went viral in 2018 for some of his short videos! His videos have received over 2 million views on Tik-Tok and other video platforms. It took him a few years to catch people's attention, but he is now well known as the Entertainer.

Funny enough, the most impactful lessons have come from my failures though.

Entrepreneurship can be a tough path—and a long, grueling one. Littered with false starts and failures, it tends to accelerate a rollercoaster of emotions: enthusiasm, despair, determination, and confusion, to name a few. “Do not lie. Do not omit important information. Do not have hidden plans. Do not give or seize kickbacks.”

Big No-No to any form of corruption. Identify and avoid conflict of interest. Do not breach laws and regulations. Read all your legal authorizations and honour the terms in them. If you do not have the answer, don't fake too much. Know the right amount of answers to save your face but not to the importance that puts you as a liar. In short, put honest undertaking.
