

Explain Ninja Is Listed Among The Top 100 Video Production Companies in Eastern Europe on The Manifest

The Manifest recognized Explain Ninja as one of the top video production agencies in Eastern Europe for June 2021.

WARSAW, MASOVIAN, POLAND, June 11, 2021 /EINPresswire.com/ -- [Explain Ninja](#), a Poland-based animation production studio, was rated among the [top 100 video production companies](#) in Eastern Europe by The Manifest. Animated video production agencies create content that can be of substantial value to a business. Using an explainer video or animated commercial to enhance your website, product, service or application is an effective and creative way to set any business apart from the competition.

To assist business owners in searching for a reliable video production partner, market analytics teams like The Manifest conduct monthly research to define the best service providers in the industry. Just recently, The Manifest published the results of their June research of the top video production companies in Eastern Europe. The list consists of the 100 best organizations in the field headquartered in Eastern European countries. Explain Ninja, a leading animated explainer video production company from Warsaw, has entered the list.
