

# RUN DAWG Makes Exercising Your Dog In Las Vegas Easy

*New Mobile Dog Gym In Las Vegas  
Exercises Dogs For Fun And Health*

LAS VEGAS , NV , UNITED STATES , June 11, 2021 /EINPresswire.com/ -- [RUN DAWG](https://www.rundawg.com) has launched in Las Vegas. RUN DAWG is a mobile dog exercise service that travels to customer locations in climate-controlled units, to provide exercise and positive motivation. The fully supervised canine workouts last 30 minutes, and are performed on non-motorized treadmills. Most dogs do not get enough exercise to be happy and healthy, and in the Las Vegas summer they get even less. Hot pavement burns paws and makes walks almost impossible. Dog parks are stressful and even dangerous for some dogs. The solution is RUN DAWG, where exercise and positive motivation is provided in a climate-controlled and safe environment.

## The Results Are Obvious

Customers notice almost immediately that a tired dog is a happy dog. Even during the beginning stages when they are getting used to the treadmill, they are still learning a new task which provides positive stimulation. With regular exercise dogs will be less destructive, calmer, have less health
