

Wouldn't You Like To Hear A "Hurtin' Cheatin' Lyin' Country Song?"

Country chart-topper Richard Lynch releases new single and video for his ode to old-school, traditional country music.

WAYNESVILLE, OH, USA, June 14, 2021 /EINPresswire.com/ -- With a name that has become synonymous with traditional country music, Richard Lynch delivers his latest single and video, "Hurtin' Cheatin' Lyin' Country Song." The nostalgic ode to country songs of yesteryear is the latest release from his aptly-titled album, "My Guitar Drips Country." Written by Lynch and Scott Southworth, "Hurtin'" begs the question, "Would it really be a sin to make country music sad again?" It's an obvious affront to the current trend of party-themed "bro-country" fare that has permeated the radiowaves for the past 5 years.
