

# ProEssayHelp Platform Acquires StudyDots Company

---

*Due to the growing demand for educational writing services, ProEssayHelp acquires Study Dots to expand the center and bring more value to its clients.*

HALIFAX, WEST YORKSHIRE, ENGLAND, June 14, 2021 /EINPresswire.com/ -- ProEssayHelp Platform announced that it has acquired StudyDots Company, an online-based service that provides high-quality college essay writing service across the UK. The purchase will better serve the needs of customers of the [Pro Essay Help](#) company across the country as the platform strives to provide high-quality educational works of any shape and size to students in the UK and has rich experience in creating well-researched custom essays.

The acquisition of the Study Dots Company fits into ProEssayHelp's strategy to offer educational support and the best essay writing assistance to help every college and university student succeed in their educational process and improve their performance while saving their time and effort.

Now that Pro Essay Help Platform will own Study Dots company, it will not only serve the needs of ProEssayHelp's clients but also bring more value to each British student who wants to improve their grades and facilitate the education process using modern technology and applying for professional assistance. By purchasing the company, the ProEssayHelp platform will become a top-rated essay writing service (UK) with over 3,500 experts in their team.

The acquisition of Study Dots complements the general strategy of the Pro Essay Help company so that they will be able to improve their service and offer more qualified features and types of academic papers for students. This investment represents an important strategic opportunity to assist every student dealing with educational issues, as well as to provide high-quality essay help at any academic level. This way, students will have a chance to obtain faster writing services with a wider choice of academic writers and certified specialists.

Being among the top-rated online academic writing companies, Study Dots presents a solid system of customer support. This online platform hires certified professionals and academic writers with great work experience who can create numerous types of academic papers of any length and size and are familiar with the newest requirements. The best essay writing service has developed the reputation as a top expert company for crafting top-notch and compelling papers appropriate for the best schools and universities across the UK.

With huge traffic growth and thousands of monthly pageviews, Study Dots has become familiar to British students as one of the best centers for those who need academic writing assistance. This center cooperates with a large database of certified academic writers who can perform various tasks including:

- research paper;
  - argumentative essay;
  - dissertation writing;
  - persuasive essay;
  - reflective essay;
  - scholarship essay;
  - assignment writing;
  - analysis essay;
  - compare and contrast essay;
  - nursing essay;
  - law essay;
  - cause and effect essay;
  - critical evaluation essay;
- etc.

Experienced professionals from ProEssayHelp.co.uk may also offer essay and dissertation editing services for those who want to save their time and turn to expert help.

Unlike other academic writing companies, Pro Essay Help offers everything to suit the individual needs and academic preferences of every student.

#### About Us

ProEssayHelp company, based in London, UK, is one of the leading academic writing centers offering high-quality services to students across the country through their online platform. The main goal of this center is to provide quick educational assistance and academic writing help for college and high school students using digital technology. The writing assistance is computerized and streamlined which makes the learning process easier and hassle-free.

Study Dots is an online-based academic writing service that assists students in finding the most experienced and certified academic writers to help them create outstanding papers for school or college. This company offers a wide range of academic writing papers from the top-rated experts in the writing field with many years of relevant experience and excellent writing skills. The company has already helped thousands of students across the UK to receive well-researched papers of the highest quality. Due to the growing demand for educational writing services, it was announced that ProEssayHelp acquires Study Dots to expand the center and bring more value to its clients.
