

The "Future" Looks Bright For Finland's Willie And The Goodsouls' Latest Single And Video

The Finnish roots rockers have released their latest single and video from their self-titled album.

HELSINKI, FINLAND, June 14, 2021 /EINPresswire.com/ -- With over 125K Spotify streams and more than 50K views on Youtube, Finland-based roots rockers, Willie And The Goodsouls are poised for a worldwide breakthrough. The band started as a cathartic 2014 solo project for singer/guitarist Ville Vesalainen. After recording his debut album, *Fortunate Son*, in just 4 days, Ville recruited musicians Petra Wahlsten – vocals, violin; Tuomas Riihimäki – keyboards; Jukka Lehto – bass guitar, vocals; and Jussi Vuola – drums, vocals; and the solo project became a "band."

With the release of 2016's *Free Willie* album, the band toured Europe, entering the studio again in 2019 to record their current self-titled album. Released in 2020, *Willie And The Goodsouls* features 8 tracks, including the new single, "Future." The album was produced by Hannu Leiden and Eero Kaukomies.
