

# Registration Is Now Open for Future Armoured Vehicles Survivability 2021

*SMi Group's highly anticipated Future Armoured Vehicles Survivability conference will return to London for its 6th year this November*

LONDON, UNITED KINGDOM, June 14, 2021 /EINPresswire.com/ -- SMi Group are pleased to announce the return of their Future Armoured Vehicles Survivability conference, which will return to London for its 6th year on 16th - 17th November 2021.

Building on the success of last year, the 2021 event will gather senior military and industry professionals to discuss the developments driving the protection of armoured vehicle platforms and personnel. As the only armoured vehicles conference dedicated to survivability, this conference will be a key date for all those in the field.

Plus, the event will once again host a dedicated pre-conference Active Protection Systems Focus Day on the 15th November, which will provide detailed and exclusive insight into how leading nations are integrating APS into their existing and future vehicle fleets.

Interested parties should register by June 30th to take advantage of the £200 early bird discount: <http://www.favsurvivability.com/EINpr1>

Highlights for 2021 Include:

- Listen to in-depth discussions which cover a diverse range of key survivability concepts
- Hear updates from senior programme managers about the latest survivability systems
- Learn about the most recent survivability developments and technologies from industry leaders in platform protection

- Meet and network with senior military personnel and leading industry professionals working in armoured vehicles survivability

Featured Speakers for 2021 Include:

- Brigadier Jon Swift, Head of Ground Manoeuvre Capability, British Army
- Major General Richard 'Ross' Coffman, Director, Next Generation Combat Vehicle Cross Functional Team, US Army Futures Command
- Major General Charles Palu, Deputy Chief of Staff Plans & Programmes of the Army Staff, French Armed Forces
- Lieutenant Colonel James De St John-Pryce, Incoming Commanding Officer, Armoured Trials and Development Unit, British Army
- Lieutenant Colonel Damian Bailey, SO1 Heavy Forces, Capability Ground Manoeuvre Branch, British Army

More information about this event is available at <http://www.favsurvivability.com/EINpr1>
