LONDON, GREATER LONDON, UK, June 15, 2021 /EINPresswire.com/ --

Increasing demand for online shopping is expected to help [the household furniture and kitchen cabinets market grow](#). Manufacturers can now sell their products on a larger platform than before, which will increase their customer base geographically, driving

the growth of the furniture manufacturing market. In countries such as India, for instance, e-commerce portals have boosted the sales of household furniture and kitchen cabinet manufacturers by giving larger exposure to producers who were confined to one geography.

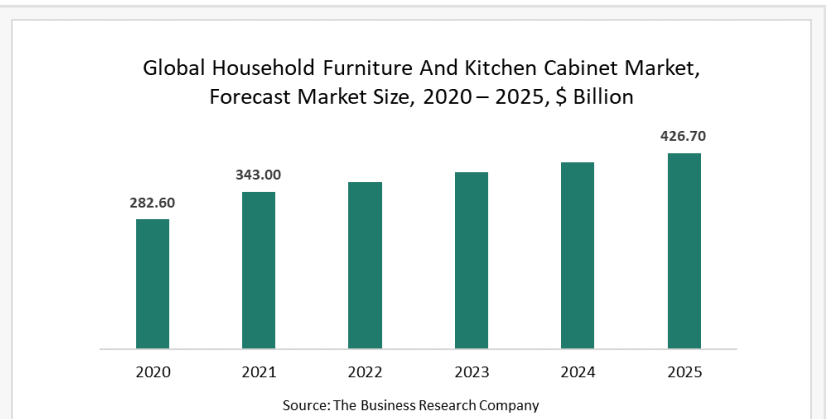

Major companies in the market include IKEA AB, Ashley Furniture Industries Inc, Leggett & Platt Incorporated, La-Z-Boy Incorporated, Man Wah Holdings Limited.

The household furniture and kitchen cabinet market consists of sales of household furniture and kitchen cabinets by entities (organizations, sole traders and partnerships) that produce household furniture including furniture for kitchens, bedrooms and living rooms. This market includes built-in kitchen cabinets. The household furniture and kitchen cabinet is segmented into household furniture and kitchen cabinet.
