*RENEW*

*Book 2 of the Reborn Marks Series*

LETHBRIDGE, ALBERTA, CANADA, June 15, 2021  
/EINPresswire.com/ -- Read Renew to find out if being branded a reborn is a myth, a curse...or a destiny.

Haunted by memories of those left behind, Lexil and Finn are forced to venture back into the Wastelands.

The Unclaimed Cities are not the idyllic setting Lexil, Finn, and Ceera thought it would be. This new land has challenges of its own – which they soon discover.

When Lexil and Finn return to the Wastelands, they are accompanied by Kaylen, someone they can't decide is a friend or foe. As they retrace their path, they meet up with old allies and enemies, and encounter other treachery embedded in the Wastelands. The trio are forced to face their own assumptions, prejudices, and fears.
