So why choose an apartment home living in Decatur, TX?

## Easy Commute

Living in a busy city isn't for everyone, so we chose to build Trophy Ridge in a town close enough for an easy commute but far enough away from the city so you can wind down at home in a quiet environment. We are approximately 50 minutes from DFW airport, and if you want to enjoy a nice dinner out on the town, downtown Fort Worth is only 30 minutes from your home!

## Amenities

To make apartment home living even better, we have included amenities for any resident! Have children who need to get some energy out? Take a short walk to our playground, where you can

relax and feel safe knowing your children are in a gated community and meet families just like yours! Or if you are planning on celebrating a special event, our community room is perfect for you; enjoy the demonstration kitchen and bar while hosting your guests, and sit back at our pub tables and watch the game on the 50" TV – it's all yours! In addition, a pool and pavilion with pergolas will be available soon to escape the Texas summers, so stay tuned.

### Home Sweet Home

Here at Trophy Ridge, we strive to make your living experience as comfortable as possible. Every home has a front porch so that you can enjoy a private entrance into your unit. The community we have built at Trophy Ridge is very neighborly and encompasses the Southern Hospitality feel that everyone looks for when moving to a new area. Don't worry about climbing steps to get to your apartment; all of our units are single story with a short walk from your car to your front door. The open concept of each unit gives you the freedom to make it all yours and decorate however you need to make it feel like home if you have pets; no need to worry! We are a pet-friendly complex and welcome all approved breeds according to the state of Texas.
