

RESILIENCE, CYBER, AND CRISIS MANAGEMENT EXPERT HART BROWN AWARDED DCRO INSTITUTE CERTIFICATE IN RISK GOVERNANCE

Leader in preparation for disruptive future events, crisis management, and crisis response gains global recognition for his educational accomplishment.

COLUMBUS, UNITED STATES, June 16, 2021 /EINPresswire.com/ -- The DCRO Institute, a global non-profit focused on the advanced development of current and prospective board members, announced today the award of the prestigious Certificate in Risk Governance to Hart Brown of Oklahoma City, Oklahoma.

Hart's achievement means he'll bring an advanced capability to boardroom discussions about wellness, crisis management, and proactive preparation, all enhancing board strategic risk discussions."

Hart serves as a Senior Vice President for R3 Continuum, a company providing behavioral health and security solutions globally. His work includes proactive preparation for potentially disruptive future events, including crisis management, assessing violence risks, crisis response, and disruptive event support for employees, managers, and high-level executives.

"Hart's work is in an area of risk management and governance not spoken about widely enough," said David R. Koenig, President and CEO of the DCRO Institute. "He'll bring an advanced capability to boardroom discussions about wellness, crisis management, and proactive preparation, all enhancing board strategic risk discussions," he continued.

The Certificate in Risk Governance is awarded to those who have completed an intensive 17-course education program and evaluation. The curriculum is designed for current and aspiring board members who seek to advance the governance of risk-taking at their organizations and those who interact with boards. Taught by some of the world's leading figures in risk governance, the program features lessons by nearly 50 board members, c-level executives, and well-known authors from five continents.

“The program is extremely well done and exceeded my expectations,” said Mr. Brown. “This is an important governance education ecosystem,” he continued.

The Certificate in Risk Governance program, also known as [The Board Members’ Course on Risk™](#), is unique. No course on risk for board members [as robust as this](#) - depth, practicality, and global expertise - exists anywhere else. The fundamental Duty of Care for directors around risk is to ensure that our organizations are taking risk well in pursuit of our goals and ambitions. This course furthers the fulfillment of that duty. Information about the Certificate in Risk Governance program is [available for download](#).
