

The dog painter of Henley completes 2000 portraits of dogs of Henley-on Thames in the UK

After 12 years of generating portraits of dogs -Clive Hemsley last week hit his 2000 dog painting.

LONDON, OXFORDSHIRE, UK, June 16, 2021 /EINPresswire.com/ -- After 12 years of generating portraits of dogs, Clive Hemsley last week hit his 2000 dog painting.

Clive recently moved into a larger new art studio with facilities to draw and paint much larger canvases.

Clive can also create portraits of families - weddings - couples individuals perhaps family members with their dogs!

As well as continuing with his love for animals especially dogs -Clive said " the new studio gives me so much more freedom the lighting is amazing I can create theatre lighting or use hi-light spots or just use natural light - this flexibility is so exciting as I can literally get any size canvas in this studio.

"I will as always support my charities and continue to use this new facility as a private studio and accept private commissions - now nothing is too small".

Dogs and owners can now come to Clive's new studio at Greys Meadow Studio Rotherfield Greys Oxfordshire RG9 4QJ or arrange sittings with Clive direct or email him clive.hemsley@livedesigns.co or call him on 07702494424 or go to his web site www.thedogportraitartist.co.uk or www.clivehemsley.com.

Remember if you are not in the area or even abroad -you can email me your pics at clive.hemsley@livedesigns.co I can use those images to create a legacy of your family beast. Please don't leave it till your dog has died that upsets me so anytime after a year is best for a

The Ward family beast called Hendricks

dog picture - The perfect gift of remembrance. Remember 2 rules when taking a pic - it must be the same level as the dog and I must see both eyes.

Prices are the same as they were 12 years ago starting at 350 dollars for a 400mm x 400mm boxed canvas frame and I've always said nobody pays anything until the artwork is complete and approved as everybody has to be happy with the finished artwork.

I can post the finished canvas anyway in the USA for 50 dollars or the UK at post office prices from £5.15p for square canvas - typical time turnaround 3/4 weeks - if you have a special photograph and you want me to quote for you -email me the image -nothing is too big or challenging - and I'm no great businessman but I believe that you only pay after you seen and approved the finished masterpiece.

Remember a dog painting is for forever - not just for Christmas.
