

Hemplily – Your Journey, More Joyful, seeks women with symptoms of menopause for study and free product

Hemplily is a wellness brand that Helps women with changing bodies find harmony and balance again with products infused with the amazing hemp plant.

CORNELIUS, NC, UNITED STATES, June 17, 2021 /EINPresswire.com/ --

Although [Hemplily](#) products have the potential to help both men and women, they are now focusing their efforts specifically on helping women experiencing symptoms of

[menopause](#). So many of their customers have reported less or eliminated hot flashes, night sweats, mood swings, plus improved sleep and relationships overall when using their products. As a result of this, they recently conducted a study, where any woman experiencing symptoms of menopause can sign up to participate in their virtual study and receive a free bottle of product in

exchange for their input on how it helps them. In their first study of almost 50 women, 100% of participants have experienced an improvement in at least one area. Most get relief in multiple areas, and some have reported relief in ALL areas! They are looking for ladies to join their next round of the study. To join, or for further information,

The advertisement graphic features a white background with a green decorative border on the left side. At the top, the text reads "Your journey, more joyful" in a large, black, serif font. Below this, it says "Hemp CBD products for menopause support" in a smaller, black, sans-serif font. A list of benefits follows: "- Relaxes your mind and body", "- Balances your mood", and "- Improves sleep", all in a purple, sans-serif font. The Hemplily logo, which consists of a stylized purple leaf or flower shape, is positioned to the left of the brand name "Hemplily" in a large, black, serif font. To the right of the text, there is a photograph of several Hemplily products, including a white jar, a small brown bottle, a white bottle with a purple label, and a glass dropper bottle, along with a sprig of lavender. At the bottom of the graphic, the text "Hemplily products for symptoms of menopause" is written in a black, sans-serif font.
