

# Ginkgo Management Consulting & AWK Group grows & strengthens footprint in Europe and Asia with merger of Quint Group

*Consulting firms AWK Group & Ginkgo Management Consulting announce their next merger: Quint Group, with its offices in the Netherlands and Spain, and Asia.*

HAMBURG, GERMANY, June 18, 2021 /EINPresswire.com/ -- Consulting firms [AWK Group](#) & [Ginkgo Management Consulting](#) announce their next merger: [Quint Group](#), with its offices in the Netherlands and Spain, and Asia, joins the Group with its more than 500 digital transformation consultants. Clients gain access to expanded consulting services as well as to broad expertise in digital transformation. In this constellation, the Group will achieve a consolidated revenue target of EUR 175 million in 2021.

Quint Group, an international consulting and technology company for digital transformation, with over 300 consultants in the Netherlands, Spain and Asia, focuses on digital strategy, data activation, enterprise automation, lean-agile enterprise, sourcing advisory and IT governance, enterprise cloud and platform automation. Quint's customers already include leading Dutch and Spanish corporations as well as large government organizations and medium-sized companies.

Within just six months of the mergers between AWK, Ginkgo and TALOS Management Consultants, this fourth milestone expands the consulting group to over 800 employees in seven locations in Europe and Asia and thereby reinforces its relevance as a major international player. On a consolidated basis, the group is aiming for sales of around EUR 175 million this year.

As Oliver Vaterlaus, Group CEO, explains: "We share the vision of creating a 'Great Place to Grow.' We want to create a leading international management and technology consulting group that is now even more attractive as a partner for our clients and as an employer for talents."

Maurice Boon, CEO of Quint Group, adds: "We bring together people, processes, technology and leadership to accelerate the transformation that helps our customers gain the competitive edge in their markets. AWK, Ginkgo and Quint complement each other perfectly – not least as attractive employers for highly qualified consultants, all being recognized as 'Best Places to Work.'"

Lars Godzik, CEO and Founding Partner of Ginkgo Management Consulting, further adds: "Quint is an excellent addition to our group complementing not only geographic coverage but

also adding tremendous thought leadership and expertise.”

Through the merger the group demonstrates its ambitious growth path to become a leading international management and technology consulting group.

#### About AWK Group

AWK Group is an international, independent management and technology consultancy with offices in Zurich, Bern, Basel, Lausanne and Luxembourg. With over 400 employees, AWK supports the digital transformation of organizations from a wide range of industries from strategy to implementation and is familiar with the technologies of the future.
