VP of Background Screening Operations, Sarah Gaither

[Daphne Large](#), Data Facts' Founder and CEO, comments. "Sarah displays many of our Core Values daily, always striving to be her personal best, crossing the finish line routinely on projects and deadlines, always seeking to do the right thing by our team, our customers, vendors and Data Facts, and always encouraging others and herself to be extraordinary. I've had the privilege of working closely with Sarah for years. It's been my joy to see her grow, stretch herself, and achieve new heights - even when she may have been out

Sarah is devoted to our customers and a natural leader. A VP position was the obvious next step."

Daphne Large, Data Facts CEO

of her comfort zone. She is devoted to our customers and a natural leader. A VP position was the obvious next step."

Gaither is excited about the possibilities and opportunities this position offers. "I will continue leading our Operations Managers and team members in an efficient manner, helping them realize their full potential, allowing us to meet our clients' needs and surpass their expectations. This role will allow for strategic management of our background screening operations, assist in growing our industry knowledge, and further build upon the foundation that has already been established."

Sarah graduated with a Bachelor of Science from University of Tennessee Chattanooga. She is also a Licensed Private Investigator and FCRA certified. Sarah received the Shining Star and Diamond Awards in 2012, and the President's Award in 2018 for her outstanding performance at Data Facts.
