BACKGROUND:

In 2021 BlackFacts.com introduced a series of Black History videos to help make black history more consumable to our audience. These videos feature a 1-minute video each day that focuses on a person, event or milestone of Black History that occurred on that day. We have also enhanced our video library with a longer (3+Minutes) video series that covers the life and legacy of our Black History Heroes and also a special series on Significant Women in Black History.

You can see the full range of Videos we have released to-date here:

ABOUT BLACKFACTS.COM

Blackfacts.com was founded by Ken Granderson (MIT, Kappa Alpha Psi Fraternity) and Dale Dowdie (Boston University, Phi Beta Sigma Fraternity) in 1997 as a way to showcase that people of color could take advantage of the technology revolution and build something that we own and control. It was developed with the tenets of 'Inform, Engage & Inspire' – these are our goals for the millions of visitors, contributors, sponsors and historians that visit Blackfacts each month, and discover how great we really are.
