*Colorado Springs' Holden House 1902 Bed & Breakfast Inn joins "Top 25%" of AAA Diamond properties with award for outstanding cleanliness and condition*

COLORADO SPRINGS, COLORADO, UNITED STATES, June 19, 2021 /EINPresswire.com/ -- [Holden House 1902 Bed & Breakfast Inn](#), a AAA Inspected and Approved inn, has been recognized with the 2021 AAA Inspector's Best Of Housekeeping award, granted to hotel properties throughout the United States, Canada, Mexico and the Caribbean that earn the highest possible cleanliness and condition scores.

A property's housekeeping and maintenance attributes are among the most important components analyzed during the on-site evaluation conducted by AAA's professionally trained inspectors. While every property must meet rigorous standards of cleanliness and condition to qualify for the AAA Diamond Program, inns and hotels awarded the Inspector's Best Of Housekeeping designation significantly surpass expectations, as measured during a comprehensive, on-site inspection. All areas must reflect this very high standard as AAA inspectors review for evidence of dirt, dust, pests, equipment performance and more.

"We are honored to be recognized by AAA for our commitment to housekeeping and maintenance," said Sallie Clark, Innkeeper-Owner. "At Holden House 1902 Bed & Breakfast Inn, we are committed to exceeding guest expectations and providing superior travel experiences. This award acknowledges the hard work and dedication of our entire staff and especially now, guests are seeking properties with excellent housekeeping practices when making reservations. This designation is more important than ever as U.S. travel resumes."

America. Properties must demonstrate housekeeping excellence for two consecutive inspections and be free of AAA member complaints to meet the criteria for this award, which puts them in the top 25% of all 27,000 AAA Diamond designated hotels.

“AAA has found that cleanliness and physical condition are consistently among the most important components travelers consider when looking for an inn or hotel – and we know that will be more important than ever as travelers get back to exploring the world in a post-COVID environment with properties like Holden House 1902 Bed & Breakfast Inn which focuses on comfort and cleanliness,” said Scott Hamerlee, director of the AAA Diamond Program. “In addition to passing AAA’s rigorous on-site inspection,

Colorado Springs’ Holden House 1902 Bed & Breakfast Inn has demonstrated a tremendous commitment to keeping its property in top condition for our members and their guests.”
