Home Clean-Outs:

Are you moving out of your home and have too many items you don't want to bring with you? A home clean-out includes all of the items inside your home. Junk removal specialists will take out everything from furniture, appliances, and clutter that you don't want to keep anymore.

Business Clean-Outs:

Are you a business needing some help getting rid of some old office junk or retail merchandise? Our junk removal experts can come onto your property to get all trash off-site, so you don't have any worries about storing it long-term!

Construction Waste Disposal:

If there is construction happening on your property, Rainier Junk Removal is happy to remove all debris left over after they're done with their job. All leftover materials such as concrete slabs, drywall, wood scraps, and even metals like copper pipes go into one big recycling bin.

Furniture & Appliance Removal:

Are you moving out or renovating? We can help! Junk removal services are offered for any furniture and appliances. However, lifting and moving heavy items like this on your own is a dangerous task that can lead to injury.

Electronics Junk Removal:

Do you have old computers and monitors cluttering up your basement? We're happy to help! Old electronics such as these can be hazardous materials in landfills, so we'll gladly remove and dispose of them properly.

Garage Junk Removal:

If the garage is filled with antique tools or unwanted furniture from an old house, Rainier Junk Removal has got it covered! Junk removal services are offered for any size of junk taking over part of your property.
