“I love seeing the community we are creating at Cresswind Georgia at Twin Lakes come together,” Lifestyle Director Nicole Jurovics said. “The residents are diving right into fostering a sense of community by attending events and even launching a Welcome Committee and Pickleball Club. It’s all really exciting.”

Local vendors at Hoschton Day included Southern Local Nuts, Remedy Distillery, North Georgia Olive Oil Company, Aristokraft Cabinets and Big Peach Running, to name a few. Beginning spring 2022, such events will take place at the highly anticipated clubhouse at Cresswind Georgia at Twin Lakes, currently under construction.

In addition to a social lifestyle, residents at Cresswind Georgia at Twin Lakes will enjoy resort-style amenities both inside and out. The Club will boast lakeside views with a lounge area, event spaces, a state-of-the-art Cresswind SmartFIT Training Center powered by EGYM, cardio studio

and arts and crafts room. Upon completion, The Club will also feature an indoor pool with lap lanes.

Residents are already enjoying a preview of the outdoor amenities at Cresswind Georgia at Twin Lakes with the first phase of pickleball courts completed. Serving as the community's signature, the Cresswind Pickleball Center will feature more than 40 courts, as well as tennis courts, capable of hosting large-scale tournaments.

The Cresswind Georgia Pickleball Center is estimated to be the largest private pickleball complex in Georgia and one of the largest in the Southeast. The first proposed event at the Pickleball Center will be the inaugural Cresswind Cup this October, bringing together players and neighbors from Cresswind communities across the Southeast.

Additional outdoor amenities coming soon to Cresswind Georgia at Twin Lakes include walking trails, a resort-style pool, event lawn, bocce courts and a bandshell. There are also two community lakes on the property for fishing, kayaking and canoeing.

The Twin Lakes neighborhood serves as one of the largest new residential master-planned developments in the greater Atlanta metro area in more than a decade. In total, Twin Lakes will feature 2,600 homes with 1,300 low-maintenance single-family homes in the Cresswind Georgia section to serve as the community's active adult component.

Priced from the \$270,000s to \$400,000s, home designs at Cresswind Georgia boast regionally inspired style with design options, layouts and finishes created with today's active adult in mind. Standout features include gated entries, total yard maintenance, common area upkeep, security monitoring and high-speed cable and internet.

Open daily, the Cresswind Georgia model home park features 15 decorated home designs ranging from 1,400 to more than 2,800 square feet of heated living space with two-to-five

bedrooms, two-to-three baths, two- to three-car garages and a series of personalization options including golf cart garages, flexible room configurations, finished or unfinished bonus rooms, enclosed patios and more.

Located within Jackson County in Hoschton, Cresswind Georgia offers a private destination for active adults without forgoing convenience to popular nearby destinations in downtown Hoschton and Braselton. Additionally, the Mall of Georgia is 17 miles away for further shopping and dining needs.

The community's outer-city locale also remains convenient to major league sporting events including baseball, football, soccer and basketball in Atlanta, and residents can head to the North Georgia Mountains, Lake Lanier or game days in Athens within the same amount of time.
