Learning whether or not you have an outstanding warrant for your arrest prior to getting pulled over and arrested offers a number of benefits.

- You can contact a defense attorney while you're still free.
- You may be able to make arrangements to appear on arraignment or at a hearing rather than being taken into

custody.

- You may be able to arrange turning yourself in to the booking area of the jail at a predetermined time and place.
- This gives you time to talk to your boss, find a caregiver for your kids, and get bills under

control instead of suffering through the disruptions of being taken by surprise.

Getting OK Bail Bonds II to look up your warrants for you also means you're already working with a bondsman who can minimize or prevent jail time by covering your bail fast.

If there is a warrant for your arrest the police will eventually find you. Get out in front of the problem by calling (713) 401-5492 today. For more information, visit our [website](http://okbailbonds.net) today!
