

USA9 Features SkyStem as the “Top 10 Tech Leaders of 2021”

USA9 Showcases SkyStem as the “Top 10 Tech Leaders of 2021”

NEW YORK, NY, USA, June 22, 2021

/EINPresswire.com/ -- SkyStem LLC, a leading provider of automated month-end close automation software, is proud to announce being named “Top 10 Tech Leaders of 2021” by USA9. Through extensive research and a meticulous selection process, USA9 top-rated list identifies the finest technology leaders in the industry. SkyStem's flagship solution, ART, was recognized as one of USA9's “Top 10 Tech Leaders of 2021” software for helping businesses continuously become more productive and efficient with their financial processes. Closing the books, reconciling the balance sheet, and performing flux and variance analysis are essential activities for every corporation. Failing to close properly and efficiently can put organizations at a competitive disadvantage, affect their stock price and

potentially run into regulatory and compliance issues. This is the core of SkyStem that offers an affordable solution to help automate the month-end close and reconciliation process that can be set up in less than one month.

Top 10 Tech Leaders of 2021

“

Strategic vision, commitment to innovation, and progressive leadership approach is essential to the success of SkyStem.”

Shagun Malhotra

The designation highlighted the services, products, strengths, innovative ideas and future plans about SkyStem, with Shagun Malhotra, CEO and Founder on the cover. The magazine featured leaders and companies that focused on leaders vision, philosophy, experience and unique proposition.

"Strategic vision, commitment to innovation, and progressive leadership approach is essential to the success

of SkyStem,” said Shagun Malhotra, CEO and Founder of SkyStem. “The experience I had in investigative accounting became the spark that compelled me to establish SkyStem”
