Caesars Entertainment*

Stephen Crystal, Founder, SCCG Management, said of the event, “We are excited to bring this set of business essential products to the casino and iGaming industry. This product, so well regarded by many in the casino gaming space, will bring a competitive solution to our high-risk industry.”

Kinectify has ushered in a new era of risk management software for the gaming industry. Designed by AML practitioners, Kinectify enables organizations to know each and every customer and vendor, seamlessly streamline workflows, and centralize information. Addressing the

impact Kinectify has on compliance programs, Ben Floyd, former SVP of AML, Caesars Entertainment said, “Kinectify is a game-changer for AML compliance. Designed by industry professionals with efficiency and the end-user in mind, this is a no-brainer for gaming companies.”

Joseph Martin, CEO and Founder of Kinectify said, “We are delighted to team-up with Stephen Crystal and his group at SCCG Management to bring Kinectify to the gaming industry. For too long, the gaming industry has struggled with subpar compliance products that have limited their ability to serve their customers and grow. The impressive SCCG Management team filled with casino owners, regulators, and gaming practitioners further deepens Kinectify's expertise and product offering to the gaming space.”
