Regional Supply Elevate EXPO

Join us for our Elevate EXPO 2021 as we celebrate our [75th anniversary](#). The much-anticipated Elevate EXPO will be held this upcoming Fall.

This year we are excited to announce that we will have over 30 vendor booths for visitors to stop by. Along with our amazing vendors, we will also be offering hands-on experiences for customers to interact with products such as vehicle wraps, graphics, printing, and more. Throughout the expo we will be offering free business-building and

product application classes.

Read what people are saying about the Regional Supply Elevate EXPO:

“Having all of the vendors in the same room was not only convenient, it was a great way to think

of questions on the fly and to learn about new products that we hadn't heard about."

"I liked the knowledge of the vendors answering questions. I didn't have one question go unanswered."

"I enjoyed getting to meet the vendors at their respective businesses and ask them directly why their product is superior. Loved being able to use some of the products to "try before buying" and see new equipment at work."

"I thought it was great and I really appreciated all of the help from the vendors. I am hyped to start using the things I learned in my business. P.S. the food was great too. Thanks!"
