*One of the Top Mortgage Lenders in the country, Sun West, is still growing.*

BUENA PARK, CA, USA, June 22, 2021

/EINPresswire.com/ -- [Sun West Mortgage Company](#), a full service mortgage banker serving homebuyers and mortgage borrowers for over 40 years, has been recognized by Scotsman Guide magazine as a Top Mortgage Lender. Sun West Mortgage Company was ranked #31 based on overall volume and #36 in retail volume by the publication.

“We know that every lender in the industry is considering a business pivot at this point, but we have already made ours,” said Pavan Agarwal, CEO of Sun West Mortgage. “We are very happy that it was a success and that we have thrived over the past year. I’m proud of what we have done as a company and grateful to Scotsman Guide for the recognition.”

Last year, despite the negative effects of the pandemic, Sun West recruited and hired over 600 new employees, including 80 new team members in Puerto Rico. In the process, the lender grew its business over 500% from the previous year.

“

We’re proud of the growth we’ve achieved over the past year, but we have no intention of stopping.”

“We’re proud of the growth we’ve achieved over the past year, but we have no intention of stopping,” said Ty Kern, Senior Managing Director of Retail Sales. “While the mortgage market is off by nearly 25% from 2020, Sun West retail is 25% ahead of last year’s pace.”

When asked how the company plans to continue growing in a market that can only get more competitive as we move closer to the coming purchase money market, Brian Mitchell, also a Senior Managing Director of Retail Sales said, “We plan to hire 120-150 additional Loan Officers by the end of 2021. Even when the industry is slowing down, we will not. We want to continue our pace and we plan to achieve that by adding additional products, marketing and technology to our business.”

Last summer, Sun West instituted a new program it calls the Loan Officer Reinvestment Act, which provided a wide range of support options designed to help any loan officer double their production. This program has made it much easier for the company to continue to find and recruit top talent.
