

# Navy Veteran's Christian Book Delivers Motivational Messages

*Russell Harper II's "Gods Posts, Truth Lives In Us All" shows inspirational meaning of Christ's life*

ARIZONA, UNITED STATES, June 23, 2021 / EINPresswire.com/ -- Depression tripled in United States adults due to COVID-19 stressors, according to a Boston University study. America and the whole world has been through perilous times, and it is in moments such as these when people seek the comfort and inspiration needed to continue on. And that is what author [Russell Harper II](#) delivers with his book, "Gods Posts, Truth Lives in Us All."

"Are you depressed about the world? Do you want answers as to why all this confusion and hate and violence is here? Do you feel guilty for something that you did or said to someone, does something in your past haunt you?" Harper asks. With his book he provides answers to these questions, which he derived from Scripture. He states that "Gods Posts, Truth Lives in Us All" is for those hungry for the truth and that this truth is within God's word in the Bible, coursed through the Holy Spirit.

Harper touches people, reassuring them in life's darker moments, showing them that wherever they are in life they can still reach out to Jesus Christ. No matter how lost they feel, Christ's promises are there, Harper explains in his book. A U.S. Navy veteran, throughout his military career Harper has felt Christ's presence with him and even in the low points of his life this faith helped him pick himself up and persevere. This gift, this strength and inspiration, is what he shares to his readers.

“

God has always loved you from the day you were born, the world was not intended to be the end for any of us.”
