

# Worldwide Korean War Photo and Video Contest to Honor Veterans and Promote Peace

*\$2000 Grand Prize to be Awarded for Winner of Korean War Photo and Video Contest Launching on June 25 and Ending on July 27*

WASHINGTON, DC, USA, June 24, 2021 /EINPresswire.com/ -- A Worldwide Photo Essay and Video Contest is launching on [www.Remember727.com](http://www.Remember727.com) to commemorate the anniversary of the Korean War (June 25, 1950 - July 27, 1953), honor the sacrifices of the veterans and promote peace on the Peninsula. The Contest will begin on June 25, 2021, and end on July 27, 2021, when the winners will be announced during a virtual ceremony marking the Korean War Armistice Day.

Hosted by Remember727 and the Korean War Veterans Memorial Foundation, the Contest also aims to raise awareness and funds for the Wall of Remembrance that will be added to the Korean War Memorial in Washington, DC. It took almost a decade to pass legislation and raise enough money allowing the construction of the Wall, which will etch the names of the 36,574 Americans killed in the Korean War, and 7,200+ Koreans who also died while serving in the Korean Augmentation to the U.S. Army (KATUSA). The Groundbreaking ceremony was held on May 21, 2021, with veterans, families of the fallen, and South Korean President Moon Jae-In in attendance. Yet, not too many know about this Wall.

"Through this Contest, we hope that many people will learn about the Wall of Remembrance that will perpetually honor those who paid the ultimate sacrifice during the Korean War. The Korean War and its veterans shall no longer be forgotten," said Col. James Fisher, executive director of the Korean War Veterans Memorial Foundation.

"We are forever indebted to the Korean War veterans all around the world who fought for Korea's freedom," said William Moon, treasurer of the Naeil Foundation, which is not only sponsoring the Contest but also has donated \$50,000 to the Wall of Remembrance. "Our goal is to remember their sacrifices and remind everyone that Freedom is not Free."

The Korean War is commonly referred to as the "Forgotten War." Few know that the Korean War involved 30 nations,\* claimed the lives of more than 40,000 soldiers from the United Nations Allied countries.

The 3-mile wide buffer zone between South and North Korea, known as the Korean Demilitarized Zone or the DMZ, is the most heavily armed border in the world. Today, the two Koreas remain divided and are technically still at war. More than 2.5 million Koreans. It separated more than 10 million Korean families who have yet to meet their families in the North.

"We invite you to join a worldwide effort to honor the veterans, many of whom are passing away, and hope for peace on the Korean Peninsula through your photos and videos," said Hannah Kim, founder of Remember727, who has visited a total of 180 Korean War Memorials in all 30 countries that participated in the Korean War, including all 50 states and US Territories, and met with more than 1,200 veterans around the world. "All they want is for us to remember," she added.

\*\*The Republic of India participated in the Korean War from December 1950 to 1953. During the war, the Indian medical unit gained the respect of Commonwealth soldiers for its high-quality medical care and the courage of its soldiers under fire. Prime Minister Jawaharlal Nehru sent the 60th Field Hospital as a support unit. In total, India deployed 627 medical soldiers during the war and a 5,000-strong Custodian Force to mediate the repatriation of the prisoners of war after the ceasefire (July 27, 1953) for a year. The Korean War Memorial is being planned to be constructed in New Delhi.

\*\*\*The Hellenic Republic participated in the Korean War from November 1950 to December 1954. Greeks distinguished themselves as the fifth largest contributor of armed forces among the 16 U.N. Forces in Korea. Greece sent one infantry battalion and one transport aircraft formation. In total, Greece deployed 4,992 soldiers and suffered 738 casualties. 12,000 additional Greeks served following the armistice on July 27, 1953. According to the statistics provided by the South Korean government, there were 192 killed in action, 543 wounded in action and 3 prisoners of war. The Korean War Memorial in Athens is elegant and classic with simple Doric columns. The august marble structures on each side are engraved with names of

the fallen. In the ground before the main monument is a jug containing dirt from Korea where the dead are buried.
