The game has the player taking the fight to Cass directly with the newly established Bush Rescue. TY and his friends are needed to protect the colorful townsfolk across Southern Rivers from the looming threat presented by Cass and his frilled-neck goons!

"This all-ages game was such a treat on the original Xbox console back in 2004," reveals Krome Studios CEO, Robert Walsh, "Character platformers are still popular with kids of all ages today."

Featuring a wide assortment of iconic boomerangs, some new and others returning... (See what we did there?) TY the Tasmanian Tiger, sports a signature boomerang move set consisting of glides, swinging and combat thwacks to help overcome most Bush Rescue missions in the game.

When a rang is not going to cut the mustard, TY has access to a wide variety of vehicles and mechanized suits known as "Bunyips". Adventure awaits! Hop in the back of Shazza's trusted 4x4 "Fourbie" to skid into the action, traversing across a lush and interconnected world.
