

IBA Group Wins in North America – CEE Investment Awards

IBA Group selected as Top CEE-Based Digital Services Provider to North American Companies at the 2021 North America – CEE Investment Summit & Awards.

PRAGUE, CZECHIA, June 24, 2021

/EINPresswire.com/ -- On June 17, the European Business Services Association and CEE Business Media announced the winners of the 2021 North America – CEE Investment Summit & Awards.

[IBA Group](#) became the winner in the category Top CEE-Based Digital Services Provider to N. American Companies.

“

IBA Group has trusted and long-term relationships with clients in North America. The North America – CEE Investment Summit & Awards gave us a chance to demonstrate our achievements in the region.”

*Sergei Levteev, IBA Group
Chairman*

IBA Group submitted an application in the Top CEE-Based Digital Services Provider to N. American Companies category to showcase the company's achievements in the US and Canada, and to attract potential clients from this important region that generates a significant portion of the company's revenue.

IBA Group listed ICDC, its open source hybrid cloud platform, and tapXphone, a solution that turns a mobile phone into a POS terminal among the company's operational achievements in the digital space, as well as

IBM, Visa, and Workfusion among the company's clients.

A jury of 36 global investors cast a vote a day before the North America - CEE Investment Summit & Awards to select the best applications from the 67 companies shortlisted in 13 categories. Additionally, summit participants could vote online in the first-ever Popular Vote during the North America - CEE Investment Summit. The combined voting determined the winners.

Sergei Levteev, IBA Group Chairman, said: “IBA Group has trusted and long-term relationships with clients in North America. The North America – CEE Investment Summit & Awards gave us a chance to demonstrate our achievements in the region. We are proud to have world-famous American companies as our long-standing clients and look forward to further growth in North

America.”

Held in a hybrid online/in-person format, the North America – CEE Investment Summit attracted 147 top executives, including senior management of major US and Canadian organizations with direct investments in Central and Eastern Europe.

The aim of the Summit and Awards is to encourage cooperation and mutual investments between Central and Eastern European and North American

companies. According to the organizers, the event is focused exclusively on US and Canadian companies, connecting to CEE-based companies for investment, partnerships or services, including digital/IT/Software Development.
