

# NARI Cleveland awards 2021 Community Service Award to Remodel Me Today

*The Cleveland Chapter of National Association of the Remodeling Industry awards 2021 Community Service Award to Brian Pauley owner of Remodel Me Today.*

CLEVELAND, OHIO, UNITED STATES, June 25, 2021 /EINPresswire.com/ --

The National Association of the Remodeling Industry (NARI) Greater Cleveland Chapter recognized the 'best

of the best' in the remodeling industry at their annual Evening of Excellence dinner and awards banquet held Thursday June 23th, 2021 at the The Shorby Club in Bratenahl, OH. Nearly 200 NARI members and other home improvement professionals from northeast Ohio were in attendance.

“

We are just trying to do our part. I like to believe, we don't live in a world all our own and it is how we choose to affect others which can make a huge difference to all the lives we touch.”

*Brian Pauley*

NARI Greater Cleveland is “The Reliable Remodeling Resources for Contractors, Consumers and the Community”. Their mission is to professionalize the home improvement industry while serving as an ally to homeowners in northern Ohio. Members are required to adhere to a strict Code of Ethics and meet professional requirements including a favorable report from both the Better Business Bureau and Ohio Attorney General's office.

In last night's event Brian Pauley of Remodel Me Today was the recipient of the 2021 Community Service Award for outstanding contributions and support of the NARI Cares Initiatives. Pauley, as the chair for the NARI Cares committee, partnered with the non profit Sleep in Heavenly Peace (SHP) of Western Cuyahoga County who's mission is to let no child sleep on the floor. On June 12th, 2021, SHP held its annual Bunks Across America where all chapters build on the same day with a goal of having each chapter build 100 beds for the community they serve. Pauley worked with the Executive Director of SHP, Susie Asadorian, to coordinate the workflow process of over 80 volunteers throughout the day. NARI provided 10 volunteers to help educate volunteers on

proper use of tools and helped with the work flow process. The event went off without a hitch and the goal of completing 100 beds was achieved. Additionally, in 2016 Pauley began a scholarship for the arts program for the Olmsted Falls City School program. To be considered students submit an original piece of art to a blind judging and the scholarship is awarded based on originality, composition and design. The scholarship has grown over the last few years and in 2021 five students received awards from Remodel Me Today. When asked what made him get involved Pauley states "We are just trying to do our part. I like to believe, we don't live in a world all our own and it is how we choose to affect others which can make a huge difference to all the lives we touch."
