

Compassion Recovery Centers is now LegitScript Certified

Compassion Recovery Centers is excited to announce that they are now LegitScript certified and found to comply with Legit Script's certification standards

LAGUNA HILLS, CA - CALIFORNIA, UNITED STATES, June 25, 2021 /EINPresswire.com/ -- Specializing in rehab for alcohol and drug addiction using innovative, client-focused and evidence-based treatment programs, [Compassion Recovery Centers](#) is now LegitScript Certified. This certification demonstrates that Compassion Recovery and its Mental Health and Addiction Rehab have been found to satisfy the requirements for LegitScript certification.

This certification allows Compassion Recovery to advertise online through major search engines. LegitScript is the only company that currently offers certification services for rehab centers and drug and alcohol treatment providers.

Obtaining this certification further underscores Compassion Recovery's ongoing commitment to providing exceptional treatment plans customized to each client's specific needs. The rehab facility in California offers highly focused addiction recovery programs as well as comprehensive co-occurring mental health disorder treatments.

Additionally, they also place great emphasis and empower their team members to be compassionate by providing ongoing training and flexibility needed to truly care for and support their clients so they can achieve complete recovery in life, relationships, and work. Their staff also assists their clients by providing them with the necessary tools to remain sober for the rest of their lives.

What Is LegitScript?

LegitScript is a service company that offers certification and vetting of alcohol and drug addiction treatment providers and rehab facilities. Their certification processes ensure that providers and facilities are compliant with applicable rules, regulations, and requirements for providing advertised services.

LegitScript is the only certification service of its kind. Google, Facebook, Bing, and other major search engines and social media sites rely upon Legit Script's certification to ensure those organizations advertising addiction treatment services online are legitimate operations.

Since 2018, the only way alcohol and drug treatment providers can advertise online is by becoming LegitScript Certified. If an organization is not certified, it cannot advertise its treatment services online.

In addition, LegitScript is relied on by regulatory agencies and authorities and credit card companies as the leading third-party certification expert.

What Is Required to Become LegitScript Certified?

LegitScript reviews the applicant's operations, practices, advertising methods, and other aspects of the business in 19 key areas. These areas include, but are not limited to:

- Compliance
- Website Content
- Facility Locations
- Business Registration
- Transparency
- Location Inspections
- Medication-Assisted Treatments
- Qualifications
- Policies
- Procedures

An alcohol and drug [addiction treatment center in California](#) that become LegitScript Certified make it easier for people to find legitimate treatment programs. The LegitScript certification provides a sense of trust and standard of legality and safety for potential clients.
