"Treat every person with dignity and respect... no matter what! TIKKUN OLAM: heal, repair, and transform the world." — Principles Guided Meril R. Smith.

Published book of Meril R. Smith titled *Confessions of an Elementary School Principal* is a collection of lighthearted and enlightening reflections upon decades of teaching and administration in a variety of schools. One of his most rewarding tenures was at Edenvale Elementary School. It is a diverse learning community in an underprivileged area where the expectations for student achievement were remarkably low. His thoughtful and pioneering programs were a resounding success and inspired generations of students to stay in school and pursue college degrees.

Confessions of an Elementary School Principal

Smith writes, "Take a peek! What kinds of things happen inside an elementary school? Other stories will provide insight into children and teaching. Many will give you pause and something to ponder. Stories span the career of the author. He is one of the lucky people who never went to work. He loved almost every ten-hour day he spent with students, teachers, and parents. All the stories are true. Only some of the names in the stories have changed to "protect the guilty."

"A fantastic initiative to facilitate children to continue further studies and make something out of them. Meril Smith makes you feel all kinds of emotions through his book." — Goodreads Reader Review.

"A collection of brilliant and innovative techniques, ideas, and strategies for parents, students, and anyone who is or wants to be part of academics... I recommend this book to everyone who has had any experience with the education system." — Amazon customer review.
