HENDERSON, NV, UNITED STATES, June 26, 2021 /EINPresswire.com/ -- B.A.R. (Born And Raised) restaurant founder Scott Godino Jr. and partner Anthony E. Zuiker, best known for creating the hit TV franchise CSI: Crime Scene Investigation, today announced the grand opening of [Fly Pie](#) in Henderson, NV, near the world-famous Las Vegas Strip, on the corner of St. Rose and Corporate Center.

Fly Pie's high-octane oven cooks perfect pizzas in less than three minutes.

Fly Pie is the first drive-thru pizzeria concept to marry high-quality "culinary cuisine" with family-friendly immersive entertainment. It delivers a safe, fast, and high-quality experience from "takeoff" (ordering) to "landing" (receiving their order) to enjoying one's meal. Customers are then treated to an immersive entertainment experience as they drive towards the pick-up window, featuring original characters, created by Zuiker, and brought to life by Tremblay Bros. Studios (Looney Tunes, Felix the Cat). Through the adventures of "Lil Churro Tot," "Mr. Heat," "Chomp," and their friends, guests of all ages can enjoy the fun and inspiring stories, in addition to scents such as pizza, cinnamon, and bacon, inspired by the characters and menu items, that fill the air in the drive-thru tunnel.

Fly Pie's menu feels like a gastropub, serving up high-quality "culinary cuisine" such as artisan pizza, wings, loaded fries, and made to order desserts like fried Oreos and churros inspired by Godino's award-winning menu at Las Vegas restaurant, B.A.R (Born and Raised). Fly Pie's high-octane oven cooks perfect pizzas in less than three minutes, and the pizza features an original dough recipe, with New York water, to produce the superior taste and quality appreciated by true pizza connoisseurs.

Guests will notice Fly Pie's "flight personnel," proudly display patches denoting their fields of service expertise and personality. Further tapping into the local community it serves, Fly Pie features an original "Art Wall" where local graffiti artists paint something new every three months as a way to bring the community together through positive events. Fly Pie has its own TikTok and Character Walls, complete with multiple backgrounds, where hungry patrons can take selfies with the Fly Pie characters.

"Fly Pie is a community first organization that values the responsibility of serving our members," said Godino. "This team and the concept we've come up with has the opportunity to revolutionize the quick service industry by marrying exceptional food with an entertainment experience like no other."

"Fly Pie is about heart smiles and great pizza on the fly," added Zuiker. "Our goal is to be the best part of a family's day. One trip down our runway, and we believe you will fly with us in every way imaginable."

Fly Pie also features carry out and contactless delivery, where orders can be placed through the Fly Pie app and planned third-party delivery partners such as Uber Eats, GrubHub, DoorDash and more.

Fly Pie is located at 2590 Saint Rose Pkwy, Henderson, NV 89074. Hours of operation are: Sunday to Thursday 11:00 am - 11 p.m. and Friday and Saturday 11:00 am - 2:00 a.m.
